Garden Club of Stuart Ways & Means Report

Our garden club meeting held Nov. 13, 2023 was hosted by Satin Leaf Circle and they really outdid themselves at the ways & means table. The plants available for sale were so numerous and lovely. Large & small vases were all sold as well as household items hard to resist. All the items brought in were great and made the ways & means area very busy. We had sales of \$ 308.26!! Satin Leaf Circle and the members contributing to ways & means are to be congratulated for their efforts. Great job!
