

Dear Garden Club of Stuart,

Camp Wehiva has impacted my life so much. I can't believe I have been coming here for 8 years now. Being a counselor has been so much fun because I want my campers to have the same experience that I did. I have had the dream of being a counselor since I was 8 years old and I was able to achieve that thanks to your continued sponsorship. Since coming to Camp Wehiva, I have decided to go to college for environmental conservation. My love for the environment has grown so much since coming here. I can not thank you guys enough for sponsoring me to come to this beautiful place. Also, I can not thank you guys enough for providing for Camp Wehiva. Camp wouldn't be what it is without you. Thank You!! Sincerely, Lillian Carlson
