

Programs, Workshops & Field Trips

1<sup>st</sup> VP & Program Chairman Mary Jane DuCoin

March 18, 2024

**Garden Club of Stuart, Inc. - March 18, 2024 General Meeting  
Program Chair's Report**

For today's meeting we are happy to be treated to a presentation about Gardening for Butterflies and Pollinators. Jennifer Pelham is our County Extension Director and Urban Horticulture Agent with the UF IFAS Extension in Martin County, as well as the teacher/guide of the Master Gardeners in Martin County.

Our last workshop of the year was the Dried Flower Books hosted and presented by our own member, Lana Turner. All those who attended had a great time, and brunch, and produced profession bookmarks as a bonus.
