

The Garden Club of Stuart, Inc.

Board Report form 2nd Vice President

December 4, 2023

As of our last general meeting, November 13, 2023, we had 136 active members and 10 Honorary members. Our membership totals 146.

At the general meeting we had 79 members, 4 Honorary members and 6 guests giving us a total of 89 attendees. Included with the 6 guests was 1 return for her 2nd visit with us.

A follow up e-mail was sent to all the new guests with the new membership application inviting them to attend a 2nd meeting.

Today, I am presenting a new applicant for membership: Beverly Wilson. She attended both the October & November meeting. She shows Bonnie Stoeppelman and Alice Hooker as her sponsors.

Request for membership to sign up to mentor new members for awhile. This would involve being available by phone to answer a new member's questions about the club and encouraging them to participate in our activities. Enjoy meeting new friends while helping our club at the same time.

Currently reaching out to our Board for a volunteer to host the "New Member Brunch". A February or March date to be determined. Please see me or contact me if of your interest so we can begin planing the event.

Last just a reminder, any changes to membership information in the year book, please let me know.

Respectfully submitted,

Diana Welch
