

## Satin Leaf Circle

20 members

4 potential members

The Satin Leaf Circle met for monthly Luncheons and socialized. The circle participated in the International Beach Clean Up Day at Bathtub Beach and has maintained the butterfly garden at the town park, high point and has a date to work at Possum Long.

Our yearbook is completed and we have five potential new members and are looking forward to a successful year.

Respectfully submitted  
Karen Bonney, President  
Satin Leaf Circle
