

The Garden Club of Stuart Secret Gardens Tour 2026

Grand Gardens and Classic Cars

Saturday, March 21, 2026 10:00 am – 5:00 pm

Be part of this unique opportunity to view glorious gardens AND over 25 classic cars AND support the local community. We offer this every other year.

This year, we have 3 Grand gardens that flow from the river to the road and another incredible garden. The gardens will be showcased with about 20 cars which include Corvettes (1959-2023 C1, C2 & C8), Rolls, etc.; a 1927 speedster (and if you are lucky, the driver who broke a Bonneville land speed record) and other vehicles.

Our spectacular gardens include the **007 Bond compound** (there could be some hidden surprises); **The Indiana Jones Estate** (lush, exotic trees and tropical plants that are one of a kind-watch out for poisonous darts or dinosaurs); **The Sound of Music**, a tranquil garden with arches, fountains, and gazebos where you can rest your soul along with beverages and restrooms; and finally **Alice in Wonderland**-a Grand whimsical flowing garden with a cottage (bet you can't count the number of different plants!).

Stroll along the extensive gardens, some with music and Plein Air painters. Master Gardeners will be available at each garden to answer horticultural questions (although some of these plants are indeed exotic!).

The Secret Gardens Tour supports The Garden Club of Stuart's civic budget which includes student scholarships, Blue Star Markers, Possum Long Memory Lane Gardens and many other local congenial community organizations.

This is our only fundraising event held every other year. In between years, we host the Community Flower show at no cost to the public. We sincerely hope this benefits the above organizations and brings a smile to your face in donating to this worthy cause!
