

Garden Club of Stuart Ways & Means Report
September 28, 2026

Welcome back to Garden Club. Hoping everyone had a healthy summer and now ready to enjoy the fall season.

The Ways & Means committee is looking forward to a great year! We had sales of \$ 1613.00 last year and were very pleased. Our budget this year is \$ 1350.00, and we hope to exceed that again. We need your help to accomplish this!

Ways & Means is like a fun garage sale every month. All members are encouraged to bring in something to sell. The hosting circle and assigned members at large are expected to bring in things to sell for that meeting. Plants are number one and we all like to pick up a cutting or interesting plant we don't have. Members can bring in anything they think someone else would like to own. Jewelry, vases, seasonal items, really anything you have and don't need or want. Please keep in mind we want to sell these items and can't carry them over month to month. We ask you to check the tables at the end of the meeting and if the item you brought is still there, please take it home and bring it back the following month. We don't have the capacity to store many items.

Tabebuia Circle is hosting our first meeting of the year and we look forward to the surprises they'll bring.

We are always looking for help and if you are interested, please contact us and join our committee. We would love to have you.

Sincerely,
Pat Dermody & Helen Goller
Chair & CoChair
