

March 31,2025

Garen Club of Stuart Ways & Means Report

The March meeting was hosted by the Jacaranda Circle with a St. Patrick's Day theme. The tables were beautifully decorated with plant studded green hats, beads & coins. The ways & means tables were fully stocked with donations of plants, vases and other saleable items along with lots of jewelry. We announced a ½ price sale toward the end of the meeting to encourage everyone to come back and buy something so it wouldn't be left over and given away. Our club came through and sales totaled \$ 280.81 for the day. One of our best months! Congratulations to all for supporting Ways & Means with your donations and sales.

Our total sales for the 24-25 year is \$ 1345.31. Thank you to all club members for your support.
