Thank you, members, for your wonderful donations and then coming to the tables to browse and most importantly, to buy those items that fellow members donated. The plants were bountiful and beautiful with orchids, bromeliads, coleus, plumeria sticks and so many hearty cuttings that sell quickly. Vases, flowerpots, seasonal dishes & towels, and many one-of-a-kind items that made it so fun to see what was for sale each month. The jewelry is always beautifully displayed and priced so reasonably that it sells very quickly. We couldn't do it without you and for that we are very grateful!!

Thank you to all who helped at the tables and especially to Lisa and Helen who are there each month organizing and taking some of the items that didn't sell to their homes for safekeeping until the next meeting.

Congratulations to everyone.

Sincerely Yours,
Pat Dermody & Helen Goller
