Garden Club of Stuart Ways & Means Report

The Garden Club of Stuart held its February meeting on February 12, 2024 with a Valentine theme. Thanks to the Jacaranda circle who hosted the meeting, the decorations of pink flower topiaries and hearts looked beautiful on all the tables with the officer tables and buffet tables looking pretty in red.

Ways & Means made a total of \$ 356.00 thanks to the efforts of the Jacaranda Circle and members at large who donated items for sale. The plants were so numerous and were the biggest sellers; orchids, cactuses, cuttings and other beautiful specimens. It was the best sales day all year. Congratulations Jacaranda Circle for a job well done!! Thank you to all who donated and purchased items. Let's keep the momentum going for March.

Periwinkle Circle and assigned members at large will be hosting the March meeting. Please bring something in to donate and visit the tables to purchase.
