

General Meeting
Monday October 9th, 2023
President's Report

From May through September much was accomplished.

In May members participated in the Great American Cleanup removing refuse in Memorial Park and adjacent locations.

During the summer Yearbook Chair Susan Licari produced the 2023-24 GCS yearbook. Hopefully by now you have all received it and will take time to review the valuable information within.

In June the club received National Garden Week Proclamations from the City of Stuart and the Board of County Commissioners while members placed floral arrangements at each of the county libraries.

In September, several members participated in the International Coastal Cleanup at Sandsprit Park and at the House of Refuge beach.

At the FFGC Fall Board Meeting it was announced that *The Florida Gardener* will no longer be printed. But it will continue to be viewable on the FFGC website and a hard copy is available by subscription.

Li Roberts and her team have put a lot of effort into organizing the October 20th District X Fall Meeting celebrating FFGC's 100th Year.

Rosita Aristoff, President
