Garden Club of Stuart Ways & Means Report
For March 2026

The March meeting was held March 9, 2026, with a festive St. Patrick's Day theme. Beautiful light green bromeliads decorated the tables and a lucky winner from each table took that pretty plant home. Members at Large hosted the meeting and did a phenomenal job bringing things in for ways & means. Plants, vases and many household items were for sale as well as jewelry. A total of \$ 393.00 was made for the garden club.

As I mentioned in the annual report in March, a total of \$ 1613.00 was made for the garden club through Ways & Means. Great job by everyone and a huge THANK YOU to all our members who donated items and for everyone who came to the tables and bought a plant or some other treasure. It is always fun to see what comes in and who wants it!! Congratulations to all.

Sincerely,
Pat Dermody
