

2022 SECRET GARDENS TOUR
YEAREND REPORT AS OF MARCH 1, 2022

MARCH 26, 2022

The 2021 Secret Garden Tour that was planned had to be cancelled due to Covid.

This Committee moved forward to have the event on March 26, 2022. We have been working diligently to find gardens, set up committees and working with our Circle Presidents and members of the club for the upcoming Tour.

Reports have been given on a monthly basis and at present we have eight (8) gardens to tour which have been designed and maintained basically by the homeowners. The tour will only be for one day which is a change from our previous tours which were for two days.

As of this date all seems to be progressing well and there will be a full report when the tour is over.

Our thanks to all our members for their support.

Donna Berger, Chairman

2022 Secret Gardens Tour

Beth Barone, Co-Chairman

Ellen Hamann, Secretary
