### Garden Club of Stuart Ways & Means Report

The January general meeting of the garden club was held on January 12, 2026. The tables were beautifully decorated with centerpieces of eucalyptus & colored pinecones, confetti & candies. Very festive indeed!

Satin Leaf Circle hosted the meeting and the ways & means tables but there was not much to offer. We all need to remember to bring in something for Ways & Means. I heard many members say they forgot their donations so it happens, but the club suffers by not making as much as they would have if every member remembered to bring in something to sell. Try to put it in your car the night before so it's there when you drive to the meeting on Monday. We made \$ 146.00, which is not terrible but not what we've come to expect each month. Tabebuia Circle is responsible for February and I'm sure with Helen Goller as their president and co-chair of Ways & Means there will be a plentiful assortment of things for sale.

Thank You.

Pat Dermody  
Ways & Means Chair
