

Flower Show
October Report

Plans are well underway for our flower show, "Red, White and Bloom", a patriotic tribute to the USA, to be held at IRSC on March 28-29, 2025. Suzi Slater, Rosita and I have met in the spring and summer to work on the schedule and plan to have it finished by mid October. Rosita has secured the dates with IRSC, and I have called and recruited all necessary chairs. We will have a meeting in early November to go over details with all the chairs. Judges will be invited in November also.

Respectfully submitted,
Nancy E Binger
