

International Coastal Cleanup

The Garden Club of Stuart, Inc., participated at Bathtub Beach and Stuart Beach September 20, 2025

RESIDENT WRITER, ALI HOOKER

International Coastal Cleanup is part of Keep Martin Beautiful. Thirteen members from the Satin Leaf Circle of

the Garden Club concentrated on Bathtub Beach while nine members from other circles concentrated on Stuart Beach, with a total of 22 members participating. They each received a t-shirt, gloves, a trash bag, and a data card to record the trash collected. We have been part of the beach cleanup

since 2021. This is only one of the many things we do for the Stuart area.

If you would like to be part of this wonderful group of ladies, contribute to our community, and make new friends, please feel free to contact Ali Hooker at alihooker@aol.com or go to the Garden Club Website below.
