

Jacaranda Summer Report 2025

Summer 2025 was quiet, as a majority of the 15 Jacarandas left for parts north/south/east/west. Those in Florida did, however, meet for lunch once a month. Usually there were no more than 4 of us.

We had an extra meeting in September, hosted by Jan Stoorza, to plan for the first GCS general meeting, which Jacaranda is hosting.

Our first official Jacaranda meeting for the 2025/26 season will be Oct 8, where we will finalize plans for the GCS general meeting and review both the GCS and Jacaranda yearbooks. It will be a small gathering as most members are still not in Florida. Yearbooks were not mailed; however, just as the GCS did, a copy was sent by email to the membership.

Looking forward to the new season,
Respectfully submitted,
Mary Claire Anderson,
Jacaranda Circle President
