

## **Appreciation Stroll Volunteers**

The day has finally come... low 70's and no rain...what a treat. Here are the details of tonight's Appreciation Stroll. **Your name will be on the RSVP list. This is not an event for the general public who purchased tickets but for those volunteers who RSVP'd and/or were generous donors.**

The starting time is 4:00 to 6:30. The secret location is Alice in Wonderland at **1975 SE St. Lucie Blvd, Stuart.**

Park at Sailfish Sands Golf and Restaurant (2000 SE St. Lucie Blvd) at the North end in the grassy area and cross at the crosswalk. Please do not use the golf course or restaurant parking. IF YOU HAVE AN INTERESTING CAR, DRIVE INTO THE DRIVEWAY so others may partake.

Dress code is Tommy Bahama style. We do suggest closed toed, non-healed shoes as you will be viewing two of the incredible gardens...Alice in Wonderland and Indiana Jones.

You have an opportunity to start the bidding on the auction items.

You will be seeing some incredible cars. A 1949 Pontiac Cataline convertible with and interesting air filter; a 1954 Nash Healey convertible; an Excalibur; a 1927 Ford Track Roadster; a 1967 Jeepster Commando convertible; a wild Lamborghini and other incredible vehicles will be displayed. We thank the car owners for taking the time to display their cars and attend!

We want to thank the incredible team chaired by **Sue Dudzic** who organized and made much of the food.

Members of **The Garden Club of Stuart** provided the wine.

Finally, **Feiertag Financial Group** generously underwrote the party and we thank them!

(Members may want to bring their tickets to exchange for wrist bands if you have not already done so. Badges would be helpful to wear).
