

Hibiscus Circle  
November Report

The circle met October 18th at the Palm City Presbyterian Garden. Ten members and one guest present at the gazebo for the business meeting.

Plans for several future activities were discussed. Our responsibilities for the December meeting, our circle cookbook and the annual fundraiser auction in December.

This year instead of the "white elephant" auction, the motto is "pay it forward", offering services of some sort to members.

Two FFGC award applications were submitted: 1) the yearbook and 2) the Treasure Coast Hospice Garden.

Following the business meeting Debbie Sahlberg presented the program describing the origin of the garden which was gifted to the church in memory of a member. We then adjourned to the church for refreshments.

Respectfully submitted,

Marty Neal
