

# *The Garden Club of Stuart, Inc.*

## **NEW MEMBER WELCOME TEA**

**Tuesday, February 17, 2026 | 11:00am to 1:00pm**

Bayview at Indian River Plantation Clubhouse  
5799 NE Island Cove Way, Stuart

Please join us for a delightful tea and informal gathering to become better acquainted with your leaders in The Garden Club of Stuart, Inc.

**President Mary Neal** will welcome new members with introductory remarks, and present an overview of our affiliated garden club organizations from the local level through the national level.

**Club Officers** will provide brief summaries of their respective roles, and **Committee Chairmen** will highlight the programs and projects under their direction.

You'll also learn the difference between joining a Circle and participating as a Member at Large. **Circle Presidents** will describe the unique character of their smaller groups and how they pursue the special interests of their members.

For those interested in becoming more fully engaged in Club activities but are unsure where to begin, this gathering provides an opportunity to discover the many ways to participate, connect with others, and grow together as members.

**Please RSVP by email before January 31 to Susan Licari**

*Please bring your Garden Club of Stuart yearbook with you to this event.*
