Executive Board Meeting – May 5, 2025 Yearbook

For the 2025-2026 yearbook we need to print enough copies to make sure we don't run out like we did this year. Advanced Printing is the printer I have used for several years. They print the pages of our yearbook 4-up on 11x17 paper, so we need to request quotes in multiples of 4. The budget calls for 145 copies but I am recommending we print 144.

	Qty	Each	Cost	Budget	Left Over for Postage
Active members	116				
Honorary members	10				
District copies	2				
Susan (working copy, archive)	2				
extras	14				
Order multiple of 4	144	\$6.82	\$981.79	\$1,017.00	\$35.21

Advanced Printing is raising all their prices this summer but has agreed to honor this quote until I have the yearbook ready for them.
