MISSION STATEMENT

The Garden Club of Stuart, Inc. is a non-profit organization for the purpose of engaging in activities which are charitable, educational and scientific, and to further the education of members and the public in the fields of gardening, horticulture, floral design, botany, landscape design, conservation of natural resources, civic beautification, public sanitation and nature studies.

This directory is for the personal use of members and is not to be used for commercial or solicitation purposes.

President's Message

I am proud to serve as the president of the Garden Club of Stuart for the next two years. Having been in garden clubs for over twenty-five years, I am blessed to have come to know and appreciate many wonderful people. This is no exception. Rather, this is the icing on the cake.

The GCS is comprised of so many ladies who have dedicated their many gifts to making this the family it is. And I believe you are a family ... a wonderful gardening family. You have come together with all your talents, exuberance, knowledge, and work ethic to make this a shining star in the community. Because of your interest and devotion to gardening, you mingle with others who have the same interests and dreams. And you band together with compassion, caring, and friendship through this shared love of gardening.

Gardening, and nature, has always been a safe place for me. It is a place to release the pressures of the world, the daily stresses, sometimes even loneliness and indecisiveness, a place to think calmly to solve a problem, as well as accepting that which cannot be changed. I believe you, as fellow gardeners, and people everywhere who honor the earth and its gifts, feel the same way. It is because of this that I have chosen my theme, "*Mental, Emotional, and Physical Health Through Gardening*." I invite you to share a story about yourself, or someone you know who has benefitted in some way through gardening. Your story can be anonymous to protect your privacy. It is the narrative that counts, and the hope it may give to someone who needs it. With your permission, I will share some of these inspirational stories either at the beginning of a meeting or via email.

I know I have rambled on without discussing the club per se, but all the information you need is found between the covers of this magnificent yearbook. Please take the time to read it cover to cover. There are many delights waiting for you to discover. Undying thanks to the many people who have worked all summer collecting this information for you. They are the backbone of the club. You are its heart.

Mary Neal, President

REFRESHMENT INSTRUCTIONS

There are **THREE** ways you can meet your refreshment obligation:

1 **BRING REFRESHMENTS**

Since our meetings are held in the morning, refreshments should be thought of as a “mini brunch.” This can include items such as fruit or cheese trays (*bite size with tooth-picks*), bagels (*sliced open and cut in half with spreads or jams*), muffins, donuts, Danish, coffee cake, or breads (*e.g., zucchini, banana, cranberry*).

Plan on bringing enough for **24 SERVINGS**. Two large buffet tables will be set up, so please divide your items between **TWO PLATTERS** (*with your NAME ON THE BOTTOM of each platter*), **COVERED** (*with foil or plastic wrap*), and **LABELED** with a description of your contribution (*e.g., banana bread, blueberry muffins*).

Please bring your food **TABLE READY** as we do not have time or space to accommodate food preparation. You will be contacted so we can find out what you will be bringing.

2 **FIND A SUBSTITUTE OR SWAP**

According to our Standing Rules, it is your responsibility to find a substitute. Refer to the previous page to find a member who is assigned a different month during the current season and contact that member to arrange a swap. Please call or email **Nancy Binger (631-766-0040 or nancybinger6@gmail.com)** to let her know who will be replacing you.

3 **PAY A NOMINAL FEE**

Bringing refreshments to the meeting is preferred over paying a fee. If you are unable to provide refreshments, there is a \$25.00 charge for the Refreshment Committee to purchase your share of the refreshments. **You must send a CHECK for \$25.00 payable to THE GARDEN CLUB OF STUART, INC. to Nancy Binger, PO Box 684, Stuart FL 34995-0684. The check MUST ARRIVE before the meeting and you MUST NOTIFY Nancy Binger that you will meet your obligation with a check.**

PROGRAMS & PROJECTS

The Garden Club of Stuart, Inc. has the following programs and projects that support our Mission Statement. See page 4 for Chairmen of each. Active Members are encouraged to participate in one or more of these activities.

ACADEMIC SCHOLARSHIPS: Four high school seniors will be awarded scholarships (\$2,000 each) for furthering their education in agriculture, landscape architecture, environmental science or a related field. Recipients are announced in spring and invited to the Annual Spring Luncheon so they may elaborate on their career plans.

ANNUAL SPRING LUNCHEON: This luncheon serves the purpose of celebrating and presenting awards to outstanding members of The Garden Club of Stuart, Inc., Member of the Year, scholarship recipients, Community Service Award, and other recognition. (*see page 7*)

ARBOR DAY (FLORIDA) – January 16, 2026: A tree is planted at a park, garden, or other location to celebrate Arbor Day. Members are asked to report all trees planted in public and private areas.

BLUE STAR MEMORIAL MARKER: The Garden Club of Stuart created a garden at Memorial Park honoring the service of our Armed Forces. A Blue Star Memorial Marker was placed within the plantings. Both the marker and garden are maintained by Club members.

BUTTERFLY GARDEN CERTIFICATION & CONSERVATION: This committee assists members and the public to receive certification for properly established butterfly gardens. Martin County's Wildflower Resolution encourages roadside and neighborhood plantings.

COMMUNITY EVENTS: To highlight our presence in the community, members take part in activities like The International Coastal Cleanup Day in September and our Veteran's Day parade in November.

CYNDY TROSSBACH OUTSTANDING YOUTH AWARD: \$500 is awarded to a local high school student who has exemplified the goals of the Mission Statement of The Garden Club of Stuart, Inc. An anonymous committee of three members appointed by the President shall receive nominations in writing by March 1st of each year.

FACEBOOK: Upcoming events and reporting on our accomplishments are handled by this committee.

FFGC AWARDS: Our Club actively pursues various FFGC state awards for Club projects. The Chairman assists members in applying for awards and receives copies of award applications for record keeping purposes.

HONORS: The Chairman provides advice for conferring honors such as FFGC, Deep South Garden Clubs, or NGC Life Memberships; and FFGC Hall of Fame, Pillar of Pride, or Earth Steward recognition to club members and, in some instances, to non-members.

MEMORY LANE AT AUDUBON'S POSSUM LONG NATURE CENTER: The Garden Club of Stuart, Inc. maintains an ongoing project honoring the memory of its members. Located at 6th Street and Hibiscus Avenue in Stuart, this beautiful public arboretum and butterfly sanctuary has meandering paths under shade trees, allowing visitors to enjoy native and exotic plants where colorful flowers, lush foliage, birds and butterflies may be seen year-round.

NATIONAL GARDEN WEEK JUNE 1-6, 2026: Proclamations of National Garden Week are received from City and County government. This committee is responsible for displaying a community banner for the week and promoting club activities. A floral arrangement is placed in each of Martin County's public libraries.

NEW MEMBER ORIENTATION: This annual event educates new members about Circles, responsibilities, and opportunities in our Club.

PLANT-A-TREE: National Garden Clubs, Inc. and the USDA Forest Service maintain a partnership sustaining our national forests through this program. For every \$50 in spare change collected at our meetings, the Forest Service plants trees where reforestation is needed most, such as in areas impacted by wildfires, flooding, and drought.

SECRET GARDENS TOUR: As our major fundraiser, The Garden Club of Stuart, Inc. hosts its next biennial garden tour on March 21, 2026. This exciting event is highly anticipated in the community, and all members of the Club play an important role in its success. (*see page 5*)

WAYS & MEANS: A variety of garden items and plants are available at monthly meetings, with proceeds supplementing our operating budget.

WEBMASTER: Our Club internet site is www.gardenclubofstuart.org where members and the public can learn more about our activities.

FFGC is the only state garden club that sponsors an ACA-accredited environmental summer camp for children through the 7th grade. A Leaders in Training (LIT) program promotes leadership for older students.

DUTIES OF OFFICERS

New officers should become thoroughly familiar with the Bylaws, especially Article V, and with the Standing Rules and published Guidelines.

The President shall have flexibility in the number of Chairmen appointed. He/she shall appoint Active members to serve on Special Committees when necessary to carry out the administrative theme. Generally, a Chairman shall not serve more than two years.

The President shall make a conscious effort to rotate Chairmen so that more members have an opportunity to become involved and to serve on the Executive Board.

The outgoing President shall plan a transitional workshop to be held soon after the April Annual Luncheon Meeting and attended by outgoing and incoming Executive Boards. All files shall be turned over to the new Executive Board and plans of work and procedures shall be discussed. The Parliamentarian shall review the Bylaws, Standing Rules, and parliamentary procedure.

When a President completes his/her term, he/she shall pass on the President's pin to his/her successor when he/she is installed. The outgoing President shall be presented with a Past President's pin and an FFGC Life Membership or a suitable NGC or FFGC honor recognition award.

After serving one year, the President and First Vice President shall be eligible for expense reimbursement for two consecutive State Conventions each. In the event that either are unable to attend, the President may appoint a substitute from the Executive Board as a delegate to represent the Club. The designated attendees shall each be reimbursed by the Club for the full two-Day Convention Plan (which includes the registration fee and specified meals). The designated attendees may each receive additional reimbursement for related expenses of one half of the remaining amount in the Operating Budget for the Convention.

The Club shall cover the expense of registration and luncheon for the current President and First Vice President to attend the Fall and Spring District Meetings. In the event that the President and/or First Vice President are unable to attend, the President may appoint substitutes as delegates to represent the Club/Circle. Substitutes may be other officers, Executive Board members, or Active members.

A report of said conventions and conferences shall be presented by an attending officer to the Executive Board.

In the case of the simultaneous unavailability of two of the authorized signators for lawful checks and investments of The Garden Club of Stuart, Inc., the First Vice President may become the required second countersignatory.

The Treasurer will ensure The Garden Club of Stuart, Inc. checkbooks remain with one of the corporation's signators when he/she expects to be out of town.

EXECUTIVE BOARD

When Chairmen of Standing Committees are appointed to serve on the Board, they assume the obligation to attend all Executive Board meetings except when illness or travel prevent attendance. Special Committee Chairmen are obligated to attend Executive Board meetings pertaining to their projects and their presence or absence shall not affect the quorum.

When a Chairman is unable to attend an Executive Board meeting, said Chairman shall inform the President of the intended absence, and send his/her report to the Recording Secretary.

When a Chairman is absent from three consecutive meetings, a resignation is advised.

The Minutes of the monthly Executive Board meetings and the Treasurer's Report shall be forwarded to Board members by email for review and correction in advance of the next meeting, eliminating the need to read the Minutes and Treasurer's Report aloud at the meeting itself. Only additions and/or corrections will be requested.

The President of The Garden Club of Stuart, Inc. shall be permitted to conduct business of an URGENT nature by electronic device. The action to be approved will be in the form of a motion and will be sent to each member of the Executive Board by electronic device. (Those who are entitled to be present, but not vote shall be copied on the message.) Confirmation of receipt shall be requested. An explanation of why the matter cannot wait for the next Board meeting must accompany the motion, and the period of time allowed for voting. Debate and comment, either positive or negative, may be made by the voting member and should be sent to all members of the Executive Board (Reply All). Return votes on the motion will be made to the Recording Secretary within the stated time period. A majority vote of the entire Executive Board shall adopt a motion. A motion will be considered adopted whenever a majority vote of the entire Executive Board has been reached, even if it is before the end of the specified time period. The Board will be notified of the results. All forms of electronic devices are allowed.

MEMBERSHIP

Active membership in The Garden Club of Stuart, Inc. carries with it responsibilities and obligations regarding participation in its various activities: general meetings, committee work, special projects, hospitality, leadership roles, etc. In addition to paying Annual Dues, all Active members have three responsibilities each year:

1. **Refreshment duties, if assigned.** An alphabetical rotation determines which Active members have refreshment duties each year.
2. **Ways & Means duties during one monthly general meeting each year as assigned.** Each Circle is assigned one monthly general meeting each year. Members at Large are assigned each year in the Yearbook to a Circle to facilitate their participation in their Ways & Means duties. (These Members at Large shall hold no Circle benefits or obligations. The assignment is merely to coordinate participation. However, this assignment in no way precludes their joining that Circle or any other in the future.)

3. **Special Project Participation.** In the event project duties are assigned to Circles, Members at Large shall affiliate with the Circle assignment designated in the Ways & Means duties. (These Members at Large shall hold no Circle benefits or obligations. The assignment is merely to coordinate participation. However, this assignment in no way precludes their joining that Circle or any other in the future.)

All correspondence pertaining to The Garden Club of Stuart, Inc. shall be sent to the Corporation address: P.O. Box 684, Stuart FL 34995-0684. Personal addresses should not be used for Corporation business such as trips, workshops, classes, refreshments, new membership applications or treasury transactions.

Prospective members, who are interested in being associated with the Club but are unable to fulfill these annual duties, are encouraged to become Patron Members.

Members who have been Active for at least five (5) years and wish to continue to support the Club but who no longer can attend meetings because of employment, illness, etc., shall be encouraged to become Associate Members.

Members shall be encouraged to attend State Conventions and District Conferences in order to broaden individual participation and Club representation.

Members who join during a current year shall be invited to a social gathering for the purpose of learning about the Club and its circles, getting acquainted with the Executive Board and each other.

Refreshments are an important part of the monthly general meetings. The Active membership roster shall be utilized alphabetically to determine which members shall have refreshment duties for the upcoming year. The Active members with refreshment duties for the year will then be divided into groups to serve as monthly committees. The monthly committee shall work under the guidance of the Refreshments Chairman, appointed by the President. If a member cannot serve during his/her assigned month, each member is responsible for finding his/her own substitute or paying a fee, and must call the Refreshments Chairman, advising of their substitute or making arrangements to pay the fee. Each Refreshments Committee shall:

1. purchase and plate refreshments for members who have chosen to pay a fee to fulfill their refreshment responsibility;
2. set up a tea table; include a natural arrangement done by a Club member; and
3. prepare and serve refreshments.

The yearbook may be mailed or hand delivered to all members (Active, Patron, Associate and Honorary). Members shall notify the Yearbook Chairman and Second Vice President at the time the annual dues are paid if the mailing address for the yearbook is different from the Florida address being printed in the yearbook, or if the member wants the yearbook held for pick-up at a general monthly meeting.

Names of members who hold State and National Life Memberships shall be reported by the Life Membership Committee to the Second Vice President for inclusion in yearbook listing and membership records.

The purpose of this Conflict of Interest Policy of The Garden Club of Stuart, Inc. is to help avoid the appearance or actuality of private benefit to individuals within the corporation who are in a position of substantial authority.

1. **Definition of Conflicts of Interest.** A conflict of interest arises when a Member of the Executive Board ("Member") is in the position of voting for a transaction that the Member or any family member of the Member has a financial interest in the conflict of interest transaction.
2. **Individuals Covered.** All Members are covered by this policy. The Executive Board consists of elected Officers, appointed Officers, Chairmen of Standing Committees, Chairmen of Special Committees and Presidents of the Circles.

3. **Duty to Disclose Conflicts of Interest.** A Member will disclose in writing to the President, First Vice President and Treasurer of the corporation any actual or possible conflict of interest that may arise at any time.
4. **Procedures for Existence of Conflicts of Interest.** Interests disclosed to the President, First Vice President and Treasurer of the corporation will be reviewed and a determination made whether to (a) take no action; (b) assure full disclosure to the Executive Board; (c) ask the Member to recuse oneself from participation in related discussions and deliberations of the Executive Board; or (d) ask the Member to resign from the position in the corporation or, if the Member refuses to resign, become subject to possible removal.
5. **Affirmation of the Policy.** Annually, all Members will sign a Certificate stating that the Member has received a copy of the Conflict of Interest Policy of The Garden Club of Stuart, Inc., has read the policy, understands the policy and has agreed to comply with the policy.

Circle Presidents shall present a Circle report at Executive Board meetings. If unable to attend, a representative shall be sent to present a report and keep the Circle informed of Executive Board action. Written copies of Circle reports shall be submitted to the Executive Board's Recording Secretary.

Circle Presidents and Program Chairman (First Vice President of The Garden Club of Stuart, Inc.) shall attend a joint meeting in early spring to discuss the purpose of Circles and Circle programs.

Circle Presidents shall annually submit three (3) copies of their Circle yearbook to the First Vice President of The Garden Club of Stuart, Inc. Circle Presidents shall annually submit three (3) copies of their current Circle bylaws to the President of the Club. If these bylaws are included in the yearbook, that is an adequate submission.

Circle programs shall be related to the goals of The Garden Club of Stuart, Inc. and stress active participation of the Circle members in a study-workshop type of meeting.

Circle meetings shall be conducted according to parliamentary procedure.

Circles shall include assigned Members at Large in working on Ways & Means and other meeting responsibilities. (These Members at Large hold no Circle benefits or obligation. Their assignment is merely to improve this annual working responsibility and relationship. However, this assignment in no way precludes their joining that Circle or any other in the future.)

THE GARDEN CLUB OF STUART, INC. AWARDS

These award statements shall appear in the yearbook, along with a list of recipients.

The President and/or the Executive Board shall have the option of honoring members for outstanding service to the Club (with FFGC Hall of Fame, Pillar of Pride or Earth Steward awards) when it is deemed appropriate.
