

December 19, 2023

### **Garden Club of Stuart Ways & Means Report**

The December 11, 2023 meeting was not the best month for ways & means. The Tabebuia Circle did their best but for some reason the members were not flocking to see what was for sale. We didn't have a lot of things on the tables but the bromeliads and the dieffenbachia were a hit and sold quickly. Ways & Means made \$ 68.00 at the December meeting. Looking back at last year, it was about the same amount of sales. Perhaps it's the time of year.
