Periwinkle Circle Report – March 19, 2026

The Meeting of the Periwinkle Circle started earlier than scheduled so that Gail Brady, President, could discuss Periwinkle's responsibilities for the Garden Tour. Wristbands were given to each volunteer. Periwinkle will be responsible for ticket exchange at the "Indiana Jones" Garden. Periwinkle will be exchanging paper tickets and tickets purchased on PayPal for wristbands. Jill purchased a Garden Tour ticket on PayPal on her phone, so that we could see the receipt on the purchaser's (Jill's) email. An individual without tickets can purchase them at our table via PayPal. Jill offered to write instructions to help an individual to make a purchase.

Gail distributed an outline of many topics: volunteer schedules, the Stroll for volunteers on Friday night, wearing an "Indiana Jones" hat, parking, pink shirts. Gail's last comment was to make sure each volunteer would be able to visit all 4 Gardens!.

The topic for the meeting was a design class by Rosita. She made a beautiful floral arrangement, discussing the criteria and guidelines of the design.
