Garden Club of Stuart

Periwinkle Circle Report – March 2, 2026

.

Due to extreme cold weather damaging their gardens, the St Lucie Botanical Gardens cancelled the Periwinkle Circle meeting scheduled for February 20, 2026. We will reschedule next year.

As President, I am encouraging all members to attend the Annual Spring Luncheon “Into the Garden” on April 13th. The Circle is now organizing for our responsibilities for the Garden Tour, including some sort of Indiana Jones costume!!
