Brief description of month's program – topic, presenter, and evaluation.

Planted flowers in the front of Molly's House. Molly's House is a respite for family and friends so that they can be near patients at Cleveland Clinic. We provided cheery gardens for everyone at Molly's House. The plants were donated by Sandhill Cove. Two of the landscape maintenance staff from Sandhill cove assisted with the digging and the members planted the flowers. After the planting, a meeting and lunch was held at Chef's Table.
