Garden Club of Stuart

Executive Meeting: November 2, 2026

Report from Marilyn Horan, 1st Vice President

1. At next Monday's meeting, Marjorie Shropshire, author of several books on native plants, will do a presentation on "Birds in Your Landscape.

2. We have two very special workshops, conducted by our members:
   Tricks of the Trade (November 12th) by Maura Zafarana. The workshop is full, but Maura agreed to consider doing another workshop due to strong interest. The following members are registered for Tricks of the Trade;
   Ruth Anne Decker, Doreen Duncan, Mary Lersch, Leslie Perna, Karen Benson, Maria Smundin, Carol Ann Mayer, Cynthia Beddow, Christine Davies, and Nancy Hess. Participants who have not paid the $5, you can give it to Maura at the workshop.

   Garden Inspiration (February 6, 2027), conducted by Debra Smith, still has room for attendees. Members are encouraged to sign up. Again, attendees may give the $10 to Debra at the workshop.

3. Since the Loxahatchee Queen 11 Boat Tour scheduled for January 22, 2027, has been canceled, we will be visiting Mike Luciano's nursery on the same date.

4. As of now, only one member has shown interest in the Tulip Time River Cruise trips to Amsterdam for next April or May. Members should let me know if they are interested. They can check out the tour online at Gate 1 Travel.

Respectfully submitted,

Marilyn Horan
