

Programs, Workshops & Fieldtrips  
1st VP & Chairman Mary Jane DuCoin  
January 2, 2024

**Garden Club of Stuart, Inc. - January 2, 2024 Board Meeting**  
**Program Chair's Report**

- For the January 8, 2024 General Meeting we will learn how to use our iPhone camera feature to take better photographs! Mark Stall, an award - winning photographer will share with us tricks and settings to have your photographs come out beautifully so you can capture your floral creations as well as other scenes.
- The sign up sheet for the field trip on Friday, January 26<sup>th</sup>, 2024 to the US Sugar farms and refinery will be available at the January meeting, last chance. We need 25 to 50 people to sign up for that event, which includes a bus tour and a restaurant lunch at no charge. If we need more people, I will open the program to the Jensen Beach Garden Club. We can also sign up for the Dried Flower Bookmarks workshop set for February 16, 2024, but remember it is limited to 12 people.
- There is also a sheet to sign up to be a Mentor to New Members available.
- Please, if you have your phones which are on MUTE, look up this website: [FullSource.com](https://FullSource.com). In the box that says : "Search by Product, brand or source #". Put in "Fame F10 -Turquoise". I propose we discuss changing our shirt uniform to this.
