

The International Coastal Cleanup, Sept 20, 2025.
Stuart Beach

Kim Wildenberg, our new Community Events Chairman, sent out an informative email earlier this summer to all GCS members about the annual International Coastal Cleanup that would be taking place on September 20, 2025 at Stuart Beach. I signed up.

Since Kim was out of town the day of the event, I was contacted several days prior and asked if I could fill in for her signing in participants at Stuart beach. They each received a t-shirt, gloves, trash bag, and data card to record the trash collected. My location had 9 participants. All in all, a very successful event, caring for Stuart beaches.

.
Respectfully submitted,
Mary Claire Anderson
Jacaranda Circle, President.
