FAIRCHILD TROPICAL BOTANIC GARDEN

Tuesday, February 18, 2025

Visit a unique 83-acre tropical oasis in Miami. Explore the grounds either by a narrated tram tour with an expert guide or by a self-guided walk along garden paths surrounded by the wonders and beauty of nature with butterflies and birds throughout. You will experience a large variety of tropical plants and their amazing array of sizes, shapes and colors. The many collections and exhibits include native habitats, a butterfly conservatory, the only tropical rainforest in North America. Artwork, including by Dale Chihuly, appears amongst the gardens.

The cost of \$60, payable in advance to The Garden Club of Stuart, includes transportation, driver's gratuity, and admission to Fairchild. Lunch options include bringing your own or purchasing a lunch at the Glasshouse Café.

Seating is limited so do not hesitate to sign up for this unforgettable trip! Meet at 7:45am at the north end of Treasure Coast Mall (Macy's parking lot) for boarding our bus. Returning from Fairchild Tropical Botanic Garden should have us back at the mall by about 5pm.
