

Garden Club of Stuart

Executive Board Meeting: October 5, 2026

Report from Marilyn Horan, 1st Vice President

1. At next Monday's General Meeting, Mike Luciano, owner of Trees and More in Palm City, will speak on growing fruit trees, with an emphasis on avocado and mango.
2. We have two workshops, conducted by our members, and hope to see them both filled up. Please remind your circle members to participate.
3. The Loxahatchee Queen 11 Boat Tour scheduled for January 22, 2027 has been canceled because the private concessionaire that ran the tours has been permanently shut down. Suggestions for an alternate trip would be appreciated.
4. Gate 1 Travel is a moderately priced tour company that conducts several Tulip Time River Cruises trips to Amsterdam and includes one or two neighboring countries. Dates are available from March to April 2027. Cost ranges from \$4,199 (9 days) to \$4,829 (11 days.) If there is enough interest, we will begin distributing information and organizing the trip.

Respectfully submitted,

Marilyn Horan
