The Secret Gardens Tour 2026

Grand Gardens and Classic Cars

Saturday, March 21, 2026 10:00 am – 5:00 pm

Be part of this unique opportunity to view glorious gardens AND over 25 classic cars AND support our local community. We offer this every other year.

This year, we have 3 Grand gardens that flow from the river to the road and another incredible garden. The gardens will be showcased with about 20+ cars which include Corvettes (1959-2023 C1, C2 & C8), a 1927 speedster (and if you are lucky, the driver who broke a Bonneville land speed record) and other vehicles.

Our spectacular gardens include the following:

007 Bond Compound (there could be some hidden surprises). This garden will be lined with about 20 Corvettes which range from 1959-2023 C1, C2 & C8. Other cars include Rolls-Royces, Ferrari and a boom box truck that looks like a Swat team on steroids.

Indiana Jones Estate (lush, exotic trees and tropical plants that are one of a kind-watch out for poisonous darts or dinosaurs). Meander from the river to the road.

Sound of Music, a tranquil garden sanctuary with paths, arches, fountains, and a gazebo where you can rest your soul along with tea, lemonade and restrooms. Get some ideas for your own garden!

Alice in Wonderland, a grand whimsical garden flowing from the river to the road with a cottage. These gardens are very varied and lovely with statutes and a sense of humor. (Bet you can't count the number of different plants!). Other classic cars will line the driveway.

Stroll along the extensive gardens, some with music and Plein Air painters. Master Gardeners will be available at each garden to answer horticultural questions (although some of these plants are indeed exotic!).

The Secret Gardens Tour supports The Garden Club of Stuart's civic budget which includes student scholarships, Blue Star Markers, Possum Long Memory Lane Gardens and many other local congenial community organizations.

This is our only fundraising event held every other year. In between years, we host the Community Flower show at no cost to the public. We sincerely hope this benefits the organizations and brings a smile to your face in donating to this worthy cause! Thank you ahead of time for attending this event!
