Any other updates:

Our Butterfly Garden at Sewall's Point Park is expanding, with new plants and active butterfly presence.

Our Satin Leaf Garden at South Point is doing well, with a newly refurbished gravel walkway just added.

We thank two of our members for their active participation in the New Member Luncheon; Lana Turner who is designing the tables and favors and Ali Hooker

who is opening her home for the event, March 10. Our Board is bringing the food.

Three of our members participated in the Jensen Beach Garden Club's Expo February 26.

We signed up members to fulfill the duties required to host the Garden Club of Stuart meeting March 14.

There are still a couple of positions we need to fill to host the Joy of Gardening. We are staffing 2 gardens and parking plus contributing to staffing the Exchange Ticket table at the Harbor Bay Plaza as well as helping to staff the Raffle Ticket table at the garden in Palm City.

Our next meeting April 6 will be a sailing trip on the Schooner Lily docked in Stuart; with lunch to follow at a restaurant t.b.d.
