PROSPECTIVE NEW MEMBER

Christine Carter-Davies: Just since our annual luncheon I received a request for information from a potential new member in Sewall's Point. I sent her an email with information about the club, an application, and will keep in touch with her.

As you enjoy your summer activities, let me know if you meet anyone who expresses an interest in our club. I will be happy to reach out and extend an invitation for them to join us at our October meeting.

I would like to thank Diana Welch for spending time with me reviewing the responsibilities of this position, and I hope I can continue her good work for the next two years.
