### Garden Club of Stuart Ways & Means Report

The February meeting hosted by Members At Large held February 10, 2025 was a big success. Hearts and candy kisses decorated the tables celebrating Valentines Day. The ways & means tables were fully stocked with assorted items for sale. Members did a fantastic job bringing in items to sell. The plants, especially the orchids, were quite a bargain and sold quickly. Jewelry is always a big seller and there were so many pretty pieces to look at. Sales were brisk and totaled \$186.50 at the meeting. A large plant stand was brought in for sale by a member at large and sold that day for \$30.00 after the meeting. The credit belongs to Members At Large, making the grand total \$216.50. Congratulations and thanks to all who donated items and visited the tables to buy something. This is a club fund raiser each month and takes all of us to contribute. Jacaranda Circle will be hosting the March meeting.
